SCHOOL MANAGEMENT AFFIRMATION STATEMENT [10a-22k-5(i)(7)]

I hereby affirm that I am a responsible official of the above-named institution; that these financial statements have been prepared by management from the original records of the school and based upon the institution's actual financial position; and that said actual financial position was given to the independent accountant(s) reviewing or auditing these statements.

SCHOOL MANAGEMENT STATEMENT ON FISCAL POSITION OF THE SCHOOL (10a-22k-5(i)(8))

It is required by state regulation that annual financial statements include a signed statement by management concerning the financial condition of the school. The statement should include, but not necessarily be limited to, commentary on such items as any increase or decrease in long-term debt, sale of any long-term assets, low equity position, excessive receivables, excessive unearned tuition, or any other information which may have affected the school's financial position during the year. Identification of any item should be followed by a rationale for its existence and plans to alleviate any shortfall. Using the space below, please provide this statement. If additional space is needed, attach a separate sheet to this page
